## RESEARCH EXPERIENCE

---

### **Organizations and Workplaces**

- 2022— *Research Assistant*, “Devaluation of Female-Dominated Jobs and Work Characteristics”  
Project Leader, Jonathan C. Dirlam, SUNY, Albany  
Collected and cleaned O\*Net Data and BLS data, analyzed the quantitative data, co-authoring a paper with the analyzed results
- 2020 *Research Assistant*, “What Changes Are Needed for SK Hynix?”  
Project Leader, Seokho Kim, Seoul National University  
Assisted in-depth interviews, analyzed the qualitative data by open coding the interview results
- 2018 - 2020 *Research Assistant*, Global Research Network “What Roles Do the Global Actors Play?”  
Project Leader, Hyunji Kwon, Seoul National University  
Developed an online survey questionnaire, analyzed preliminary survey data and interview data, and participated in developing a theoretical framework based on the qualitative data

### **Globalization and Public Health**

- 2021 *Research Assistant*, “The Impact of COVID-19 Pandemic on Asian / American Students Experiences in the U.S. and Beyond”  
Project Leader, Angie Y. Chung, SUNY, Albany  
Developed survey questions using Qualtrics, cleaned and analyzed survey data using R and STATA
- 2019 *Researcher*, “Household Survey on Health and Social Damage among the Victims of Humidifier Disinfectants”, Social Investigation Commission on Social Disasters  
Project Leader, Dong-Hyun Kim, Korea Society of Epidemiology  
Recruited the interviewers, conducted in-depth interviews, analyzed the survey data, and wrote a report using the quantitative data analysis

### **Human Rights and Criminal Justice**

- 2019 *Co-editor*, Human Rights and Gender Equality Education  
SNU Institute of Human Rights Center  
Translated and developed the education material, Reviewed and edited the education material
- 2018 *Monitoring agent*, “Prosecuting Attorney Impression Inspection through Trial Monitoring”, Korea Institute of Criminology  
Project Leader, Jeong-eun Lee, Changwon National University  
Conducted observatory monitoring for trial prosecutors, participated in establishing qualitative data of the infringement of human rights

## **SKILLS**

---

Proficiency with software such as STATA, R, and NVivo

Data management experience working with longitudinal, panel, administrative, and secondary data including NLSY, O\*NET, CPS, ATUS, and KGSS involving data cleaning, merging and variable construction

Research experiences with statistical analyses, including causal inference techniques, text analysis, multiple and logistic regression, and qualitative analyses with NVivo

Research experiences with survey tools including Qualtrics

## **LANGUAGES**

---

Korean (native), English (fluent), Spanish (DELE B1), Arabic (basic)
